Papers Presented:

Berlin, C.I. Otoacoustic Emissions. Paper presented at the Second Annual Meeting of the American Academy of Audiology, New Orleans, LA, April, 1990. (Also Session Chair.)

Berlin, C.I. Experience with the Ensoniq hearing aid and real ear measurements. Paper presented at the Second Annual Meeting of the American Academy of Audiology, New Orleans, LA, April, 1990. (Also Session Chair.)

Miscellaneous:

Invited guest lectureships and colloquia, seminars, short courses, symposia, workshops, and scientific exhibits numbering over 246 from 1967 to present.

An Introduction to

Kresge Hearing Research Laboratory of the South

*Linking basic research and clinical
applications since 1967.*
